A MESSAGE FROM OUR STEWARDSHIP COORDINATOR

As we continue to focus our message on the importance of stewardship in this community, we have described the roles that are so well fulfilled and the work that serves so many. Today, Cathi Richardson spoke to you about HOW you can get involved. The following is a recap of the message you have heard today.

Fr. Dan Callahan, SA

Recently, I joined the Parish Staff in the role of Stewardship Coordinator I am here today to talk to you about Stewardship and WHAT it IS and WHAT is MEANS here at St. Joan of Arc. Stewardship is volunteerism and it is MORE than volunteerism.

Stewardship is the sharing of our gifts WITH the community FOR THE GOOD of the community. Our Time Our Talents, and Our treasure.

Today, let me encourage you to start thinking about what you can and may give in terms of TIME and TALENT.

A series of articles have been written by Father Dan about the 27 currently existing organizations operating in the Parish right now...These articles are being shared with you weekly through the PASTOR'S CORNER section of the Parish Bulletin. These articles are intended to provide you with some of the KNOWLEDGE you need to begin exploring the many ways you could be involved. You may be interested in a group because of the service it offers or because of the talent that you have OR.....you might be more focused on TIME....the amount you have to give.

Let me assure you ...there is an opportunity for you all.

As I go through my own assessment of the volunteer programs here at St. Joan of Arc, I am struck by amount that is accomplished Parish Volunteers to provide services and by how much would be lost if these good works were to disappear.

My new role will be focused on providing consistent support to Parishioners who want to contribute and may not know HOW. I am here to help you get involved. I will provide information, clarity, coordination and support.

Think of me as your GO TO PERSON for Stewardship. I can be reached by calling the Parish Office and leaving me a message. My new email, which will be published in the bulletin OR...just simply stop me to talk...I am always willing.

Today, I ask you, to open your mind to the possibility of involvement without barriers. Instead of thinking about the time you don't have...think about the time you do? Think about the growth of your talents instead of the thinking that what you have to offer is not good enough yet.

But, please do THINK about it.

There will be numerous more communications about stewardship to help you to BE READY to attend Stewardship weekend and sign up on the weekend of September 18/19. Thank you for your time and your care today.

Catholic Missions in Canada & Scarboro Missions

The annual shared collection for Canadian and overseas missions is Aug 14th & 15th. Donated funds are split equally between these two Catholic missionary societies for the promotion of gospel values at home and all over the world. Catholic Missions founded in 1908, fosters and extends the blessing of the Catholic faith by supporting missions in regions of our country where the populations is too small, or the economic situation of the community is too fragile for the people themselves to support their local Church and its ministry. Scarboro missions, formerly the Scarboro Foreign Mission Society, founded in 1918, is involved in mission work overseas. Today, Scarboro priests and lay missionaries work side by side and in cooperation with other mission groups all over the world as they seek to serve in creative and new endeavours where the Gospel has not been heard, to encounter and celebrate God's presence in the life, history, culture and faiths of those they meet, to live simply and in solidarity with the poor and marginalized people of the world.
