Through ShareLife, you help refugees find safety and freedom

Your generous gift to ShareLife is crucial for immigrants and refugees establishing a new life in Canada. Your love and support have not only provided them with safety and freedom, but have also given them the opportunity to create a brighter future in our community.

Thus far we have raised **\$16,755.00** toward our goal of **\$86,000.00**. Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.

Thank you for living the Gospel through ShareLife!

We all love having friends and since we know what it is like to befriend other humans, we can extend this same means of friendship to Jesus because he too is fully human. However, this friendship doesn't remain like all of our other friendships but is elevated to the status of being friends with God, since Jesus is also fully God. As stewards, let us take some time each day in prayer to converse with Jesus as we would a close friend and by doing so, enjoy friendship with God.

What could convince someone to turn to God? The story that God became human? The story that Jesus cured the sick? The story that Jesus forgave sin? The story that Jesus rose from the dead? Or, perhaps, the story of the witness of your own life! If you have the continuing inclination that God is calling you to be a priest, religious or deacon, call **Fr. Matt McCarthy, Director of Vocations, Archdiocese of Toronto at 416-968-0997.** email: vocations@archtoronto.org

DOCTRINAL CORNER

The Church's teaching on the immorality of in-vitro fertilization seems cruel and unfair. Don't married couples have a right to have a child?

Children are a gift, not an entitlement. The Church teaches that marriage does not confer upon the spouses the right to have a child, but only the right to perform those natural acts which are *per se* ordered to procreation. The child is not an object to which one has a right, nor can be considered as an object of ownership; rather, a child is a gift, the supreme gift and the most gratuitous gift of marriage, and is a living testimony of the mutual giving of his parents. (*Instruction on the Respect for Human Life 8*). The Catechism of the Catholic Church reminds us that artificial insemination, fertilization, etc. dissociate the sexual act from the procreative act. The act which brings the child into existence is no longer an act by which two persons give themselves to one another, but one that entrusts the life and identity of the embryo into the power of doctors and biologists and establishes the domination of technology over the origin and destiny of the human person. Such a relationship of domination is in itself contrary to the dignity and equality that must be common to parents and children. (*CCC 2377*).
