DOCTRINAL CORNER

Is God's unconditional love without limit?

God loves us unconditionally in that He loves us even in our sins. But He cannot love our sins for He cannot love evil. He will always forgive us if we repent. To love Him back we must be free to choose to love Him or not. Love cannot be programmed or forced. To love Him is the greatest thing we can do for ourselves. Our choice not to love Him (sin) does not diminish His unconditional love, but it certainly diminishes ours.

REFLECTIONS ON STEWARDSHIP

On this solemnity we are reminded that we should strive to be true stewards towards the members in our family, bearing their faults with love and sharing out gifts with them. One thing we can all grow in is sharing the gift of our time with our family, not just time together in the same room, but actual quality and intentional time with one another. Let us ask ourselves this week, how can we play our part in making our family more like the Holy Family in Nazareth?
