Living the Gospel by providing a summer camp experience for young boys...

During his years as a young camper at Camp Ozanam, Niro experienced significant moments of personal growth in his life, which had a lasting impact on him. Later on, he became a staff counselor at Camp Ozanam, where he now has the opportunity to become involved in and positively influence the lives of current camp participants. "When you are with your brothers at camp, it is okay to show your feelings. These memories become important, because these kids really get to know each other and stand by each other. Thank you, ShareLife, for all the work you do to make this possible at Camp Ozanam!" says Niro. **Last year, ShareLife-supported Camp Ozanam provided a unique camping experience for 600 boys from underprivileged homes in the GTA.**

Mission Appeal for the Diocese of Kottapuram

Situated in Kerala in the southwest region of India as it juts into the Arabian Sea, the Diocese of Kottapuram is geographically full of islands and villages with about 25,000 Catholic families out of a population of 100,000 families – Christians, Muslims and Hindus. With an economy based on fishing, and with monsoons and other fluctuations of weather, the people experience great hardships. In love and charity the Diocese offers many programs to assist, support and empower children, women, fishermen, young, old, Catholic, and non-Catholic. Father asks, "On behalf of my Bishop Joseph Karikkasery I request your prayerful support and financial assistance to continue all the good works for the sick and suffering, irrespective of caste and creed, and to support the vocation to the priesthood." **Weekend of August 5th & 6th, 2017**

June is Seniors Month in Ontario Theme: Living Your Best Life

Did you know?

- There are 900 million persons in the world over the age of 60 and in Canada, there are more persons over the age of 65 than children under the age of 15.
- Life expectancy has increased by 30 years over the past 100 years.
- Our potential for spiritual growth increases as we age.
- A new ministry is emerging in churches to support the faith development of "maturing adults" throughout the multiple transitions that mark the second half of life.
- The maturing adult (50+) population is comprised of three distinct groups: the pre-retired, the active retired and the elders – each group having specific needs.
- Dealing with issues of loss is the central psychological and spiritual task of maturing years.
- Connection – with self, others, creation and God - is our greatest asset the aging process.

How might we support each other in the aging process?
