DOCTRINAL CORNER

How long after the birth of a child should the Baptism take place?

As soon as possible after the birth: Parents are obliged to see to it that infants are baptized within the first weeks after birth. As soon as possible after the birth or even before it, parents are to go to the parish to request the sacrament for their child and to be prepared for it properly (*Code of Canon Law 867.1*). An infant in danger of death is to be baptized without any delay. (*Code of Canon Law 867.2*).

Due to the COVID-19 pandemic, there will not be a fundraising campaign for The Shepherds' Trust this year. Instead, we encourage parishioners who can give during these difficult times to focus on supporting their parish. If you wish to support your parish and our retired priests, The Shepherd's Trust would welcome your gift via the special collection envelope in your Sunday offering box or at www.shepherdstrust.org/
