**Tenth Sunday of Ordinary Time**

“Whoever does the will of God is my brother and sister and mother.” With these simple words, Jesus explains discipleship. Our baptism does not make us members of a club or social group but followers of Jesus, the Son of God. Following Him is at the centre of our faith life. Understanding what is being asked of us and discerning the way forward is the call of each disciple. What is the will of God? We can only know this by being attentive to God’s voice in prayer and allowing the Holy Spirit to show us the way.

The month of June is incredibly hectic with lots going on as we wrap up the school year and various groups are finishing the first half of the year and taking a breather for the summer.

Fr. Jim is looking forward to his retirement after 49 years of priestly service. We will miss him a great deal and pray that God will give him rest and peace in his retirement. Please note: he will celebrate his last masses at St. John Vianney on June 22/23 and at Our Lady of the Atonement on June 29/30. He is looking forward to the Open House on June 23rd in the Family Centre and the opportunity to meet and greet with our entire Family of Parishes as we bid him adieu. Fr. Mark Poulin will begin after July 1st.

**LITURGICAL TEACHING FROM LAST SUNDAY**

Following up from last Sunday, points to remember.

1. When the priest has finished the washing of his hands and turns towards altar, all stand and join "Pray sisters and brothers...."
2. All kneel during the Eucharistic prayer. Following the Great Amen, all stand for Our Father, sign of peace and Lamb of God. After the Lamb of God, all kneel during the invitation: Behold the Lamb of God....
3. Once the priest has received communion, all stand and remain standing until the last person in the communion procession has received. Approaching the communion minister, we bow our heads as a sign of reverence to the Eucharist.
4. Once the last person has received, all may kneel or be seated. We do not wait until the Eucharist has been put into the tabernacle.

**BUILDING UPDATE: PARKING LOT PROJECTS**

We have received permission last week from the Diocese to move forward with the parking lot remediation at both sites. We are working with a consultant and have begun the process of preparing the documents outlining the scope of work so that we can get contractors prepared to submit their bids.

We will be coming up with plans once the documents are ready, determining the length of time for the projects, what contingencies we will need to prepare for and what alternate worship plans we will need depending upon the scope of the project and how accessible or inaccessible the sites will be. Luckily, we are a family and said contingency plans may revolve around a shut down of the site during the week and most likely a weekend so that they can complete the work in a timely fashion. In that case, a mass schedule will be created for the affected weekend using one site for the masses while the other is inaccessible and then doing the same when the other project gets started. Clearly without a functioning parking lot, there is not enough street parking to accommodate everyone at either site. It is a work in progress at the moment as we figure out timelines etc. but we wanted everyone to prepare themselves for some inconvenience so that we can get these parking lots back to top condition. Remember there are two seasons: winter and construction!
