MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

"Made this Way - How to Prepare Kids to Face Today's Tough Moral Issues" by Leila Miller with Trent Horn

This incredible book goes through all the current 'woke' issues regarding Chastity, Sexual Morality, Family and Life Issues. Each chapter is in three parts: 1. What the Church Teaches; 2. Advice for Little Kids; 3. Advice for Big Kids. (I think this third part can be given to teenagers to read on their own, it is so clear, and parents can assist them when they have questions). The Advice for Little Kids is fantastic in helping explain the Church's teaching to younger children who are already being exposed to harmful teaching in the media and the educational system.

Oh, and single people too can benefit tremendously from it as well! I can't recommend this book highly enough. **Fr. Roche**

The Oratory Thology Summer School

First Session – July 1-5: AN INTRODUCTORY SURVEY:
Catechism of the Catholic Church

Second Session – July 8-12: EVANGELIZING THE MODERN WORLD

The Second Vatican Council described the Church's responsibility to proclaim Christ's truth like this: *"In language intelligible to every generation, she should be able to answer the ever recurring questions which men ask about the meaning of this present life and the life to come."*

So much has changed so quickly in our world, how do we respond? Church teaching in so many important areas, its artistic expressions of the faith, its method of communication and use of the media, and even the sort of saints it is producing have all played a part in stepping up to the challenge. The Church continues to prove that it transcends time and cultures.
