**I AM THE BREAD
THAT CAME DOWN FROM HEAVEN**

The mystery of the Eucharist alone – that Christ left his Body and Blood for us to eat and drink – I could ponder forever and not fully plumb its depths. That it's his *actual* (real) Body and Blood – not “virtually real,” not a symbol. That he literally becomes part of us and we become part of him. That by leaving us “food” to eat and drink, he acknowledges and appeases our ravenous spiritual hunger. That eating human flesh is the deepest, darkest most unmentionable of taboos; Christ says, I'm going to let you do it: I'm going to offer myself up. I'm in solidarity not only with your humanity, your brokenness, your sins; and in offering up my very flesh, I am going to transform the consciousness of all humanity, for all time. I'm going to descend to the depths and ascend to the heights of the human spirit.

While I could never plumb the depths of the Eucharist – yet a simple fisherman would understand all that needs to and probably can be understood about it: it's a gift, and it's holy. Someone sacrificed himself and left his very Body and Blood to us as a gift, an offering, the answer to our deepest prayer: *Oh, please let there be something beyond me and my sadly, limited powers. Let there still be something holy in the world, let there be something we haven't wrecked with our greed, our fear, our lust. Let the terrible, terrible suffering of me and every other human being on earth have meaning.* The Mass is a celebration of the sacrifice: the consecration of the Host, the bridging of the gap between life and death, light and dark, heaven and earth, the material and spiritual. The Eucharist is the eternal coming-into-being of the power that on the one hand has the ability to shake the foundations of the universe, and on the other, perpetually, gently assures us that we are known, seen, and cherished.

Our weekly goal is \$6,000.00
Please donate 1 or 2 dollars more each week
to carry us through the summer months!

ROOF CONSTRUCTION

Thank you to everyone that donated to the roof fund. The new roof has been put on, however now we will be looking to

place new downspouts and we will be moving to the repair to the water damage in the church, stay tune for upcoming announcements about repairs.

IMPORTANT NEWS

Unfortunately monies have gone missing from the candle box and the poor box for several months now. We are worried about being able to afford more candles and to help those most in need. More importantly we are worried for the safety of parishioners coming to pray during the week. A new security system has now been installed. In the meantime, we want to provide decentives to this problem. Sadly then we have decided to sell candles during the week days from the office and from the clergy or pastoral staff. I know this is very inconvenient and hope that this is temporary. If you are aware of any information that can help us in dealing with this matter, please let us know. Thank you for your cooperation in this sad affair.
Fr. Boniface

NOTICIA IMPORTANTE

Infelizmente, ha ja algum tempo, o dinheiro das velas e da caixa dos pobres tem vindo a desaparecer. Estamos na incerteza que se possam comprar mais velas e que nao possamos ajudar os mais necessitados. Mas, mais importante ainda, estamos preocupados com a seguranca das pessoas que vem rezar durante a semana. Um novo sistema de seguranca foi ja instalado, mas entretanto, queremos desencorajar este problema. Sendo assim, infelizmente durante a semana, as velas terao de ser compradas no escritorio, aos sacerdotes ou ao pessoal acreditado da parquia. Sabemos que e inconveniente e esperamos que seja uma medida temporaria. Pedimos que, se alguem tiver informacao que nos ajude a resolver o problema, por favor, contacte a parquia. Obrigado pela vossa comprecao e co-operacao neste assunto tao delicado.
