**EVANGELIUM VITAE**

*To the Bishops, Priests and Deacons, Men and Women Religious,  
 Lay Faithful, and all People of Good Will  
 on the Value and Inviolability of Human Life.*

**3. - NEW THREATS TO HUMAN LIFE**

In a special way, believers in Christ must defend and promote this right to Life, aware as they are of the wonderful truth recalled by the Second Vatican Council: "By his incarnation the Son of God has united himself in some fashion with every human being". This saving event reveals to humanity not only the boundless love of God who "so loved the world that he gave his only Son" (Jn 3:16), but also the incomparable value of every human person.

The Church, faithfully contemplating the mystery of the Redemption, acknowledges this value with ever new wonder. She feels called to proclaim to the people of all times this "Gospel", the source of invincible hope and true joy for every period of history. The Gospel of God's love for man, the Gospel of the dignity of the person and the Gospel of life are a single and indivisible Gospel.

***For this reason, man-living man-represents the primary and fundamental way for the Church.***

Every individual, precisely by reason of the mystery of the Word of God who was made flesh (cf. Jn 1:14), is entrusted to the maternal care of the Church. Therefore every threat to human dignity and life must necessarily be felt in the Church's very heart; it cannot but affect her at the core of her faith in the Redemptive Incarnation of the Son of God, and engage her in her mission of proclaiming the Gospel of life in all the world and to every creature (cf. Mk 16:15).

### THIS WEEK ON FORMED The Catholic Faith on Demand April 28, 2024

#### Changing Sides The Power of Witness

The powerful true story of the conversion of a dedicated Planned Parenthood director to a leading Pro-life Activist. Abby Johnson believed that she was helping women by working for the nation's largest abortion operation, Planned Parenthood and quickly rose in the ranks to become the director of an abortion facility and was even given an "Employee of the Year" award. Abby suddenly she found herself on the other side of the fence, facing the truth about abortion. -- FILM 50 min --

#### Subverted - Book by Sue Ann Browder

How did the women's movement, which fought for equal opportunity for women in education and the workplace, and the sexual revolution, which reduced women to ambitious sex objects, become so united? Sue Ellen Browder documents for the first time how it all happened, in her own life, and in the life of an entire country. Trained to be an investigative journalist, Browder unwittingly betrayed her true calling and became a propagandist for sexual liberation. As a long-time freelance writer for Cosmopolitan magazine, she wrote pieces meant to soft-sell unmarried sex, contraception, and abortion as the single woman's path to personal fulfillment. She did not realize until much later that propagandists higher and cleverer than herself were influencing her thinking and her personal choices as they subverted the women's movement.
