

The prayer which our Lord taught deals both with our future hope, on which our faith is based, and with our present life, which is to be lived in the light of that hope. The coming of the Kingdom of God is our hope, our goal, and that for which we should pray. The Lord's Prayer that he has taught us encompasses both the present and the future.

STEWARDSHIP REFLECTION

"Ask and you shall receive; seek and you will find; knock and the door will be opened to you." - Luke 11:9

Jesus assures us that if we ask, God will take care of what we need. The problem is that our culture often confuses what we really need with what we simply want. Many people need very little. However, we usually want so much more. A good steward only asks God for what he needs.
