Pastoral Care Team is being studied here in the parish...

This ministry will be offered to support and to respond to a number of seniors who are shut/in and/or in nursing homes that do not have access to pastoral care, such as offering of Holy Communion. I would encourage and invite all Eucharistic ministers and interested parishioners who have a passion for visitation of the sick and shut/ins to forward your name to me, and/or call the parish office.

Prayer shawl ministry is encouraged and ongoing for those

parishioners who have the time to craft a prayer shawl or small blanket; to be presented for infant baptism or shawl (18" x 28/30") varied colors is fine, either solid or pattern.

The beauty of beeswax candles... You may have

noticed that we are using different candles at the altar that are clean burning and good for the environment. Recently I came across an article and many like it, where more interest is being shown in "beeswax candles" This articles show ... "How bees wax candles have opened up for me the beauty of the mass "

The author mentions how moved he was in the nature of beeswax and its important contribution for the environment... here is an excerpt ...

"I asked the monk at the register about the significance of the wax and he explained that worship candles need to come from the earth in order to symbolize giving God our best. In other words, the ideal Catholic worship is organic. As we come from the dust, so too should our liturgy. I purchased the candles and went on with my retreat."
