ENVIRONMENTAL STEWARDSHIP – ABORIGINAL WISDOM: We have much to learn from Native spirituality. Aboriginal peoples have a profound respect for our Creator God, and honour all that the Great Spirit has made. All of creation is seen as interrelated and respect for creation requires that we serve as stewards of the environment, with an attitude of sharing and generosity, humility as well as respect for the teaching of our elders. Let us pray for all of us who are called to serve as stewards of creation, thankful for the wisdom of our aboriginal brothers and sisters.
