OCTOBER 6, 2019 – TWENTY SEVENTH SUNDAY IN ORDINARY TIME

“For God did not give us a spirit of cowardice but rather of power and love and self-control.” (2 Timothy 1:7)

Many of us compartmentalize our Faith, we bring it out only when we attend Mass or when we attend a parish event. Being a good steward requires discipline and striving to put God first in everything, all the time. The next time you are at a neighborhood party, at work or out shopping, would your actions signal to others that you are a good and faithful servant of our Lord?

Faith is not something vague, uncertain, undefinable, or something which requires a leap of the imagination or worse, some kind of blind allegiance. In fact, it is quite the opposite. Faith is a response of trust and belief in what is reliable, truthful, certain, and real. To have faith is to believe and trust in someone or something. We believe in the power of electricity even though we can't visibly see it with the naked eye. We know we can tap into that power and use it to do things we could not do by our own human power. Faith in God works in a similar way.

Canadian Catholics are being called upon as citizens to exercise their right to vote. The Church encourages and reasserts its belief in “the political freedom and responsibility of citizens.” As Canadians we exercise that right on Oct. 21 #staugustineottawa
