**A NEW AND EXCITING CONTINUING EDUCATION PROGRAM** will be offered by *St. Jerome's University* in Waterloo this Fall. The *Certificate in Catholic Leadership* seeks to support those who wish to better understand Catholic organizational life and to grow in their sense of missional leadership by: developing a more sophisticated understanding of leadership theories and tools to lead with integrity; expanding knowledge in key contemporary issues in Catholic leadership; recognizing the importance of experience outside of one's professional domain; and developing the skills of reflection and discernment! The program offers flexible modes of participation with opportunities to build community in person at key milestones! It is well-suited to those who may consider graduate education in the future but cannot make that commitment at this life stage, as well as to those who hold graduate degrees but whose graduate training was from a more secular perspective. This is a wonderful opportunity to experience the excitement of the university environment. Interested?
