NEW OPPORTUNITY DATE FOR FAMILY PHOTO SHOOTS!!!

Due to demand, the Photo Directory company IPC is offering still another date for family photos to be taken! The new date is **Friday, November 10th**. And there are also still some spots available on these dates: **Monday, November 6th, Tuesday, November 7th, and Saturday, November 11th**. If you still need to sign up for a photo session, or make any changes to your booking, you must contact Carol Gallimore, kgallimore@cogeco.ca, or at 905-746-8854. Carol has the master sign-up list, and she will discuss with you a suitable date and time for your photo session. We really encourage all households to participate, to make this the best Directory ever!

Let's make this one a repeat!!!

A CALL FOR NEW EUCHARISTIC MINISTERS

Please speak to Monsignor Martin if you feel called to this important ministry.

MARRIAGE TIP OF THE MONTH Marriage Tip 133

There are many strategies we use to support our partners when they are under stress, but researcher Sarah Walker of the University of Sydney and her team found that two seem to have the most impact. Receptive listening, allowing your spouse to share detail about the situation without having you providing judgment or advice, and telling your spouse how much they matter to you, called valuing, are the two that provide the most benefit to your partner. Try these proven techniques and you will find a receptive and happier husband/wife in your life!

World Mission Sunday, October 21st – 22nd, is an opportunity for us to honour our lives as Catholics through the special call we received at Baptism to be missionaries in bearing Christ's message of salvation to all people. We all share in the responsibility to witness to Christ. Through prayer and personal sacrifices, we witness to our conviction that the task of caring for those in need is at the heart of what it means to be Church.

This day encourages prayer and financial assistance for the missionary work of the Catholic Church throughout the world. This enables the Good News to reach millions who have yet to hear it, and it gives support to many who daily experience a lack of basic needs.

The fruits of the world-wide collection are distributed worldwide to the poorest Dioceses, supporting everything from the formation of priests and catechists through to important projects in education and health care; to assist in reconstructing churches which have been destroyed because of anti-Christian persecution, war, and natural disasters; and to contribute in many other ways. Your contribution is a gesture of solidarity, and a participation in mission.

Please be generous! Your contribution can be made over the next few weeks, using the envelope in your box, or a clearly-marked envelope of your own. Thank you!

WHAT IS SAFE TALK?

SafeTALK is a half-day alertness training that prepares anyone 15 or older, regardless of prior experience or training, to become a suicide-alert helper. Most people with thoughts of suicide don't truly want to die, but are struggling with the pain in their lives. Through their words and actions, they invite help to stay alive. safeTALK-trained helpers can recognize these invitations, and take action by connecting them with life-saving intervention resources, such as caregivers trained in ASIST.
Since its development in 2006, safeTALK has been used in over 20 countries around the world, and more than 200 selectable video vignettes have been produced to tailor the program's audio-visual component for diverse audiences. safeTALK-trained helpers are an important part of suicide-safer communities, working alongside intervention resources to identify and avert suicide risks.
