With Rene's retirement, the parish finds itself in need of people to fill in where he left off. It is a big job, and we are not looking for one person to do it all but looking for trades or skilled people who we can call on to volunteer or provide paid service for various problems or issues. We would like to establish a list of trades people or people willing to help now and then. Looking for electricians, plumbers, painters, general handy on the tools, to name a few. If you can be of service, please contact the office and let us know how you can help.

Willow Place Women's Shelter is in need of **new or lightly used towels and face clothes**. If you can help this community with these items, please bring them to St. Charles and place them by the Willow Place donations bin by the Sacristy. Thank you very much and God bless.

REMOVAL OF TREE

The Maple tree on the south side of the church was recently removed for safety reasons. It's limbs were extending over the parking area and some where hitting the church roof on the opposite side. We also discovered the trunk was beginning to split, so before anything negative happened it was removed. Always sad to see such large trees removed. In time the tree will be replaced.

St. Charles Catholic School Band Program
 St. Charles Catholic School is excited to announce that we are in the process of setting up a brand-new Gr. 6-8 Band Program beginning in the 2024-2025 school year. We would appreciate the donations of any used wind band instruments to our program. If you can help, please contact our music teacher, Mrs. Gregorchuk at chgregorchuk@stccs.ca, or the school office at sec@stccs.ca
