	<p>VIRTUE OF THE MONTH</p> <p>During the month of February, our Catholic Schools are celebrating the value of COMPASSION. We will teach the students the meaning of compassion and its importance in our daily lives. Jesus is our role model for compassion; so, we will remind students how he continually opened his heart to others, especially the vulnerable and weak members of society. We will remind students to be helpful to others, to notice when someone is lonely, and to reach out and show that they care. Please help us by praying for the staff and students of Sudbury Catholic Schools as we explore this important value.</p> <p>“Then he took the children in his arms, placed his hands on each of them and blessed them.” Mark 10:15</p>	

“Even when our efforts don’t bear the fruits we expect, we must trust that God knows what he is doing.”

The Most Prejudicial

There is nothing more prejudicial to community life than to mask tensions and pretend they do not exist or to hide them behind a polite façade and flee from reality and dialogue. A tension or difficulty can signal a new grace. But it has to be looked at wisely and humanly. It must be talked about with a third person or an external authority.
