Christ the King! Thank you!*

Jesus calls us to listen to His  
word because when we listen, we  
grow stronger in faith.

*Pray with our children for the gift of strong and  
durable faith.*

**Reflection:** Jesus continues to speak to people in parables. In today's Gospel we  
hear three parables of the Kingdom of God. The first talks of God's judgement. People  
often complain about the evil in the world and wish God would uproot all evils and  
those who perpetrate them. But we need to understand also that God is a merciful  
judge; He is a patient God and one that gives a second chance, but He should not be taken for  
granted. The other two parables speak of the spread of the Kingdom of God. Jesus starts with just a  
few followers but now it is close to 2.4 billion worldwide. The apostles have done their best. In  
contemporary times, you and I have a responsibility to continue the spread of God's Kingdom. The  
Son of man at the end of time will reward each according to his/her conduct.

### **Fundraising Update Re: Front Stairs**

The Christ the King Fundraising Committee has been working diligently to raise funds for the replacement of the front stairs of the church. Covid, inflation and the supply chain issues have all conspired to drastically increase the funds needed for the stair project. However, the committee is not deterred. Although, we are currently taking a summer break, this does not imply that nothing is going on. We are still charging ahead with new ideas! As of June 25, 2023 we have raised \$230,023 toward the new stairs. Once we reach \$300,000, the crumbling stairs will be removed and construction of the new stairs will begin. The final cost for the new stairs is expected to be approximately \$600,000. We must raise half of the final cost to get started. The diocese will then issue a loan for the remaining \$300,000. We are now within \$70,000 of our magic starting amount of \$300,000! The committee wishes to express our gratitude and thank you for your ongoing support.
