Halleluia He is Risen!

The women went to His tomb thinking Jesus was dead. Imagine how happy and excited they were to learn from an Angel that Jesus has risen. Join our children in prayers of JOY for this great gift of salvation.

Reflection: The Resurrection of Jesus is all about transformation. It transformed Peter, a boastful coward, into a mighty orator who on Pentecost Sunday stood up to profess his faith in Jesus and in his resurrection. He would turn out to be a source of strength for sick people, so that his shadow would fall them and cure them. Others who remained fearful behind closed doors came out in the open to testify to the resurrection with great power. It witnessed the transformation of people who fought for position and greatness into people who were of one heart and one soul. Since then, down through the centuries, thousands of ordinary men and women 'turned the world upside down'. The risen Christ is an active, living reality. Today we carry the power of the Resurrected Lord with us wherever we go. Where there is despair, we bring hope; in troubled times, lasting peace. This is the essence of Easter. *'God's Word, Daily Reflections 2024'*
