Lenten Retreat at Villa Loyola – The Re-enchantment of Nature as the Word and Beauty of God

Pope Francis' encyclical on care for our common home, *Laudato Si'*, uses the mystical, wisdom language of the Christian Trinity to attempt a "re-enchantment" of the natural world. The doctrine of the Trinity suggests a provocative language that invites one to engage the profound mystery of creation.

The Trinitarian mystery, as the core of our faith, can instill a spirit of awe, wonder, contemplation, reverence and praise before the word and the beauty of God in all creation. We will explore this deep well of meaning and mystery that we call creation or nature. From this well may flow a deep-rooted care for our common home and a call to action.

KIDS CORNER

One day, while praying to His Father, Jesus' appearance changed. His face and clothes shone with a brilliant and dazzling light. Like Jesus, we too, can be God's light in this world by doing good deeds and living the way God wants us to live. Pray with our children for the grace to find ways to bring God's light into this world.
