CATHOLIC EDUCATION WEEK

Catholic Education Week 2024 begins on Sunday, May 5. Fr. Raymond and Deacon Roland will be visiting each of the schools associated with the parish during this week: St. David, Marymount Academy and St. Albert Learning Center. Special Prayer Services with students and staff will be celebrated at each school. Publicly-funded Catholic education is an ongoing gift, which has existed in Ontario since 1841. Its graduates have served Ontario and Canada very well. The current generation of students in these Catholic schools will serve with the same spirit and generosity as their previous generations. This year's Catholic Education Week theme is, "We are called to love". The Catholic Education Week biblical quotation is, "If we love one another, God lives in us." (1 John 4:12)

"Love one another" is Jesus' commandment for us. It is not always easy to be loving. It takes effort to find ways to be loving to others, always. Pray with our children for the grace to find ways to be more loving every day.

Reflection: What wonderful works does the gospel message of Christ capable of bringing forth!

A message powered by love (the Holy Spirit), who pierces the very fabric of human heart and brings about repentance and conversion, as seen in the life of Cornelius and his household in today's first reading. This spirit of love in us is what moves us to love God with all our being, expressed first in our faithful adherence to His commandments, and then in our service to our brothers and sisters. Today, the Lord commissions once again to become agents of love - genuine love which entails willingness to sacrifice ourselves for others, thereby bearing more fruits of love, unity and peace in our families, parishes, society or wherever Divine Providence places us.
