PARENTING TIP OF THE MONTH – Family time matters, as much when our children are young as when they are young. It helps to ensure this happens by building traditions that everyone partakes in regularly. Traditions that everyone looks forward to and enjoys – pizza and movie nights, a special breakfast after attending Mass, games night – anything that brings you together for fun will do. The emotional health of children with these kinds of connections is stronger throughout their lifetime. As a family, plan your together time weekly and remember to share meals together daily, whichever meal of the day that has to be. With a solid family foundation, your connectedness can and will stay intact as your children grow older.
