### **Consultation on Medical Assistance in Dying**

The Canadian Department of Justice is having a Medical Assistance in Dying consultation, since the government is considering expanding the euthanasia law to those not dying. Let the government know that as a Catholic, you believe that the current safeguards and eligibility requirements need to be increased not lessened. You will be given the opportunity to provide written comments about the safeguards, the morality of the directives, and other factors of Canada's euthanasia law. This is your chance to influence how we move forward in this country with MAID. Please make your voice heard by filling out the survey at <https://www.justice.gc.ca/eng/cons/ad-am/index.html>.
