The Third World Day for Grandparents and the Elderly, will be celebrated on July 23, 2023, This years theme, "His mercy is from age to age" (Lk 1: 50). This verse reminds us that God's mercy is manifested in history through the testimonies of those who have experienced it and passed it on to their children and grandchildren. Grandparents and the elderly are called to carry this mercy, to tell through words and life how God has been faithful to His promises and how He continues to love His people. They are also called to receive God's mercy, and to allow themselves to be comforted by His fatherly love that never abandons them. The World Day for Grandparents and the Elderly is an occasion to once again express with joy that the Church wants to celebrate together with those whom the Lord -- as the Bible says -- has given "a full life". A copy of a prayer for this day, is available in Spanish & English, on the table in the main narthex.
