The tree of solidarity that is Development and Peace — Caritas Canada

In 1967, the Bishops of Canada sowed a seed of solidarity, seeking to nurture a movement for social justice. This seed took root and blossomed into a strong tree. Its roots are the thousands of Canadians who support the organization by donating time and money. Its branches are partners who flourish and help build a world of justice. Their work bears fruit for millions of people in the Global South who are taking charge of their own destiny. devp.org/lent/resources
