Please be generous in your prayers & financial help to a world so in need of His healing, love, and peace.

Recollection for Women. Tuesday Oct 22, 9:40-11:30 am in the Church - Topic: Making Joyful Contributions

Recollections are moments of peaceful prayer designed to refresh your spirit and to help you to find creative ways to live your faith in your family, social and professional milieu. There is also an opportunity for confessions. Pre-school children are welcome. Contact Helena (cell) 905 510-1849

Parenting Tip - Helping our children to become less focused on themselves and more interested in their neighbour is an essential role of every parent and caregiver. Children do not often think of others before themselves in the early years of their lives, so from a young age be sure to set clear limits on their behaviour and the “things” they get, so they don’t become entitled; praise them whenever you witness an unselfish act, no matter how small; model unselfish behaviour both within and outside the home by sharing time, goods and talents. Children thrive in relationships, show less anger and aggression and feel good about themselves when they look outward, not inward. Jesus himself taught that next to loving God, loving neighbour is our most important role in this world.

Marriage Tip - It is important every now & then that spouses deliberately consider the needs and/or desires of their partner over their own, even if it may not be their first choice of action.

Acknowledging a spouse in this manner, in a variety of different circumstances, tells them that you are listening when they express their feelings/desires, puts their needs above your own & makes them feel both cared for and listened to by the one they love. When both remember to act in this manner, couples feel closer, see less anger in their relationship & experience the satisfying feelings of being cared for.
