**GRIEF RELIEF** - Has someone you cared about died? Are you grieving the loss of the person's presence in your life? Are you looking for relief from the feelings associated with the loss of this loved one? Are you wondering if your feelings are normal? You are not alone! The Diocese of Hamilton has grief programs to help. **The next program starts Oct. 24**, More information at <https://hamiltondiocese.com/offices/family-ministry/grief-support>

**PARENTING TIP OF THE MONTH** - October is the month we celebrate Thanksgiving, a time to reflect on all God has blessed us with in our world. The harvest is evident at this time of year but remind your children of the intricate way God created the world so humans could live. Remind them that they are part of his creative plan, and their gifts and talents are like food allowing the world to thrive. And remind them that God ensured they would have faith and family to support them throughout their lives. There is so much to be thankful for, and an attitude of gratitude can provide a positive impact on our emotional and mental health, so help your children give thanks for all they have been given!

**MARRIAGE TIP OF THE MONTH** - There are many strategies we use to support our partners when they are under stress, but researcher Sarah Walker of the University of Sydney and her team found that two seem to have the most impact. Receptive listening, allowing your spouse to share detail about the situation without having you providing judgment or advice, and telling your spouse how much they matter to you, called valuing, are the two that provide the most benefit to your partner. Try these proven techniques and you will find a receptive and happier husband/wife in your life!
