**CARE FOR CREATION – AGREEMENT AT PARIS CLIMATE CONFERENCE:** An agreement has been reached that moves us towards the end of the fossil fuel era. The 1.5C target and the goal of net zero emissions helps us meet the moral imperative of protecting the poor and most vulnerable from climate change. While there was a failure to address some key issues such as climate finance for developing countries, Paris is seen as a turning point as we seek solutions called for by Pope Francis in his encyclical. Let us continue to encourage our federal, provincial and municipal leaders to move forward on actions that will achieve necessary goals.
