**REFLECTIONS ON THE NEW ROMAN MISSAL:
Why New Words?**

The language in which we pray together at Mass is special, a simple, dignified, formal way of talking to God. The language we use to speak with God should sound different than the everyday speech we use with our friends to help us remember Who we are praying to – God the Father, God the Son and God the Holy Spirit. Some parts of the New Mass will have noticeable changes, such as the Gloria or the Creed, but other parts have not changed, such as the Our Father. Many prayers at Mass will sound a little different than the words we have used for the last 30 years but this will give us a new opportunity to listen carefully to what we are saying when we pray. There is an expression that reminds us that what we pray shows and teaches what we believe: *lex orandi, lex credendi*. It is quite amazing to think that the words we will be using are close to the way Catholic Christians prayed for many centuries: it is proof of the timeless and enduring faith of the Church that we will hand on to the next generation of Catholic Christians.

**MUSIC WORKSHOP ON
