DEVELOPMENT AND PEACE FALL CAMPAIGN

The Development & Peace Fall Campaign for 2011 is called "Together, We hold the Future in our Hands". This is the first year of a new five year program promoting ecological justice. These 5 years will be a journey as together we imagine a new model of development for the world, which puts the needs of the world's poorest first while respecting the ecological health of the earth.

Small scale sustainable farming, the focus of this year's Fall Campaign, promotes the common good of all creation. Small scale farming is ecologically responsible, more so than large scale industrial farming, which has been one of the biggest contributors to climate change in the last 50 years.

By signing this year's Development & Peace action cards you show your solidarity with small scale farmers. You help them to feed their communities, fight climate change, and improve their living conditions. You show that together we truly do hold the future in our hands. Action cards will be available both at the back & front entrances to the church this weekend.

DISASTER RELIEF PROJECT

Assumption Parish Youth are asking for your support with their Disaster Relief Project for the Philippines'. They are looking for donations of slightly used clothing and non-perishable goods; cash donations are also accepted. There will be a collection box placed at the back of the Church. Thanking you in advance.
