***St. Pius of Pietrelcina, Priest (September 23)***

*St. Pius (1887-1968), affectionately known as Padre Pio, joined the Capuchin Friars and was later ordained a priest. For fifty years he lived in the monastery of San Giovanni Rotondo, where his miraculous abilities as spiritual advisor, confessor, and intercessor attracted the attention of the world. His humility and constant devotion to the Eucharist caused him to remark often, "I only want to be a friar who prays."*

*A Message from Your Pastor*

*Peace and all Good!*

*As we near the end of the liturgical year, the church gives us this parable of Jesus about a manager who is not faithful to his master, using what belongs to his master and charging more than what it should be and enriching himself with his corruption. Realizing that he is in trouble, he changed his ways and started to charge the people fairly.*

*Although his contrition is not a perfect contrition but it's a good start to re-discover the goodness of his master to be able afterwards to arrive to a perfect contrition.*

*The church reminds us that the master will be coming soon at the time we never expect and we have to be ready. We need a contrite heart and humble spirit. We need to make reparations for the wrongdoings we had done. If our contrition is coming out of fear from the wrath of God, we should try to re-discover more the Father through Jesus. The pure and burning love of God will make our contrition perfect. We will not be wanting to offend him because his love for us is so great.*

*Ave Maria!*
