Weekday Mass Schedule

We have returned to our normal weekday Mass schedule which is 9 am. However, I will be away from the 9th to the 12th and the 16th to the 19th of September attending an annual meeting and a conference. Weekday Mass attendees please take note of these dates as there will not be a Mass offered here on those days.

Parking Lot Clean-up

A big "thank you" to Eric Vergara and crew for cleaning the parking lot. They removed the sand and rubble which accumulated over last winter. May God bless all of you.

Envelopes

There are folks who are using envelopes that are labelled for the parish or sharing God's gifts for mass intentions. This causes confusion for the counters. Use the envelopes marked clearly **Mass Intentions**. They are high-lighted with a **yellow stripe**. If you want to use a plain white envelope, that would be alright.

Baptism not birthday!

For some strange reason there are many who are waiting an entire year prior to having their baby baptized. I thought that this might be a cultural thing, however, in checking with our Filipino priests I am told otherwise. It would seem that this phenomena has appeared in Canada in order to save money and celebrate the baptism with the first birthday. This practice needs to stop. Baptism should take precedence and should take place within the first few weeks after birth. Also, waiting for an entire year often makes the actual baptism more difficult. By the age of one the child knows that something out of the ordinary is happening and the child usually will resist and begin flailing in the parent's arms. This makes it difficult to baptize. A baby doesn't do this. To get to the point, have your baby baptized within the first few weeks after birth.

A Walk to Remember

If you have lost a baby during pregnancy or infancy, join us at our annual Walk to Remember. This is an opportunity to remember, honour, and grieve the life and loss of a baby. There will be a time of remembrance, followed by a short walk. This event is open to all who have been impacted by pregnancy or infant loss, including family & friends.

Sunday, October 6, 2024, 3-4 pm, Angel Baby Monument, Heritage Cemetery in Steinbach.

CCRS of Manitoba: Unveiling the Gospels Bible Study - September 12-December 12, 2024

Many people struggle to understand and even just read the four gospels one after the other. During the course, you will explore not only the 4 gospels but also an exciting in-depth look at your Catholic faith, who the writers were, their audience, their objective, and most importantly, who Jesus was to each of them. Have you heard of the 18 Miracles in St. Mark's Gospel, or the five main discourses in St. Matthew's Gospel, or did you know that tradition holds that St. Luke was not only a great writer but also a painter and sculptor and that to understand St. John's Gospel one could benefit from reading Genesis and the 1st Letter of St. John? The Bible Study will run as follows:

23rd Sunday in Ordinary Time

Introduction To Penitential Rite: In the Gospel, Jesus asked his disciples who he was. Do we proclaim Jesus the Christ, the anointed teacher of what is right and what is wrong, by our words and actions?

Isaiah 35:4-7 In the first reading, a prophet shows the way to true security. It begins when God comes first in the human heart.

James 2:1-5 In the second reading, James insists that the only true faith is a faith that is active. Being generous, especially to the poor, demonstrates a living faith.

Mark 7:31-37 In the Gospel, Jesus mediates the healing power of God by curing a person who was both deaf and mute.
