This holiday season let's come together to make a difference

in the lives of women and children who have sought refuge in Willow Place - a domestic violence shelter in Winnipeg. As we celebrate the spirit of giving, consider extending your generosity to those who need it most. Many women and children in these shelters have faced unimaginable challenges and are starting anew. Your donations can bring comfort and joy to them during Christmas. Your support will not only provide tangible necessities but also send a powerful message of solidarity and compassion. Take time to check the poster of needs on the wall by the Willow Place donations bin by the Sacristy and there is also a take home list available. **Please give generously.**
