Parenting Tip of the Month: Family time matters, as much when our children age as when they are young. It helps to ensure this happens by building traditions that everyone partakes in regularly. Traditions that everyone looks forward to and enjoys - pizza and movie nights, a special breakfast after attending Mass, games night – anything that brings you together for fun will do. The emotional health of children with these kinds of connections is stronger throughout their lifetime. As a family, plan your together time weekly and remember to share meals together daily, whichever meal of the day that has to be. With a solid family foundation, your connectedness can and will stay intact as your children grow older. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)

Marriage Tip of the Month: January is a perfect time to sit together as a couple with a good cup of coffee or hot chocolate and do a little year in review. Did we spend enough time with each other and with our families? What went well for us and where do we recognize challenges? Discuss how these things could be better in 2025 and commit to making it happen for your couple relationship. A little marriage reflection and tune-up can keep the sparks alive! (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)
