Parenting Tip of the Month: As school begins a new, we set up new schedules and set boundaries and guidelines to help our children achieve the best success they can. It is a great time to incorporate prayer, perhaps before meals and bed, into the family routine. Let your children know that speaking to God at any time is an easy way to ask for support and share their joys. God is always ready to listen and provide help; this is a proven way to help your children succeed! (From: Family Ministry Office; 905-528-7988 ext. 2250)

Marriage Tip of the Month: Relationship experts remind us that quantity and quality time matter in relationships. Take a moment to assess your relationship: how much time are you spending together and are you considering how you connect during those times. You might share a movie, family time and chores, but be sure there are times when you talk directly to each other, share your joys and sorrows, discuss your plans as a couple. Staying connected takes effort but ensures a strong and everlasting love. (From: Family Ministry Office; 905-528-7988 ext. 2250).
