PARENTING TIPS: Pope Francis, in his book *The Name of God is Mercy*, writes that “the family is the first school for children, it is the unwavering reference point for the young, it is there that we have been loved and learn to love, have been forgiven and learn to forgive.” As parents our role is to teach with love, to raise up children of faith and to teach the ways of mercy. Parents allow, elicit, or maintain behaviours by their response to their children’s actions. A child’s future ability to thrive depends on parents taking the time to create habits and behaviours that will lead to success. Schools of love provide support, love and discipline to help their children grow.

“I love you!” Important words for every child to hear, but knowing what these words mean is even more significant. Loving someone is about looking outward beyond our own needs and wants to see what is best for the other; it is caring and compassion; it is empathy and mutual respect. In short, love is more about what we give to a relationship than what we get from it. For our children, teaching them about good relationships and the true meaning of love allows them to love in a mature way when they get older and to expect a healthy love for themselves.

MARRIAGE TIP: Love is a commitment, one that has bright days, gray days and everything in-between days. When we persevere and work through our struggles in positive ways, our relationship grows stronger and more resilient. When we understand that God is with us in our marriage, it reminds us that we are never alone. As Paul wrote to the Philippians, (4:13) “I can do all things through him who strengthens me.” When we turn to God together in daily prayer, our love grows and deepens and is capable of handling a

The Assumption of our Blessed Virgin Mary

Aug 15th

On Monday, August 15 we will celebrate the Solemnity of the Assumption of Our Blessed Mother. Since the time Pope Pius XII declared this mystery of faith definitely as a dogma of the universal Church in 1950, we have celebrated the Solemnity with great attention and care. The Assumption of the Blessed Virgin Mary indicates that our Blessed Mother did not suffer the corruption of death when she left this world; rather, she was assumed body and soul into the everlasting kingdom of heaven. Our Blessed Mother takes her rightful place in the glorious kingdom of God. Yet her journey is our journey for one day we too shall stand in the glorious presence of God, body and soul at the end. We are grateful to our Blessed Mother for being ever present in our lives, in this world and in the life to come. As always she guides and comforts us and counsels us to listen to her Son, Jesus Christ. In the light of the Assumption of Mary, it is easy to pray her Magnificent (Luke 1:46-55) with new meaning. In her glory she proclaims the greatness of the Lord and finds joy in God her savior. God has done marvels to her and she leads others to recognize God's holiness. She is the lowly handmaid who deeply revered her God and has been raised to the heights. From her position of strength she will help the lowly and the poor find justice on earth, and she will challenge the rich and powerful to distrust wealth and power as a source of happiness.

LORD
hear our
prayers

Dear Mary,
Like a woeful child,
I am in need
of your motherly care.
Wrap your arms around me for comfort,
dry my tears,
take me by the hand,
and lead me to your Son,
the source of
all that is good.
For only he
can cast out the shadows
of my troubled heart.
Amen.
