Dear Parishioners:

This week will mark another exciting time for the life of the Parish: Vacation Bible School or Camp for children between the ages of 5-12. This year’s theme will be *The Sky’s the Limit – with God all things are possible!* This will be the second time that such a program will be offered at Blessed Sacrament. A number of other churches in the area have offered this program year to year, but it is wonderful to see that we will be offering a Catholic summer program. This will allow the children a beautiful experience of community and faith.

Such a program could not be possible without the support of the parents and their children. We have tried to encourage as many families as possible by offering a low-cost, half day camp experience. As parents know, other camp programs can run upwards of \$300 or more for the entire week. We have only asked for \$25 for the entire week, plus a family rate for 3 or more children.

We must also be thankful for the numerous volunteers who have offered their services. Without their dedication and care, this program could not be possible.

Please offer special prayers for the success of this year’s Vacation Bible School at Blessed Sacrament. As we build on our experience, my hope is that this program will become a yearly tradition that will continue to draw more children.

May the children who will participate this week experience the joy and fun of being together, sharing their faith and a spirit of community and fellowship. And may our dedicated group of volunteers also feel blessed in the work they are doing. If you wish to participate please join us for the closing Mass on Friday, August 23 at 11:00 am. I wish you all the very best!

God bless,
Fr. Peter Ciallella
