Marriage Tip

In February we celebrate love on Valentine's Day, but love is an action word, needed every day of every month. This year try something different for Valentine's Day - make a commitment to tell each other on the 14th of every month what it is you love about each other. An attitude of gratitude, recognizing the good in the other and making a point

of telling each other why you are in love is a great way to put love into action and it helps you to never take your love for granted.

**JOIN THE "CALL FOR CONSCIENCE" IN HAMILTON DIOCESE**

The Government of Canada passed legislation in June 2016, legalizing euthanasia/assisted suicide. The

College of Physicians and Surgeons of Ontario is forcing health care workers to participate in ending the lives of their patients. **The Diocese of Hamilton wants to protect the rights of all healthcare workers.** Visit [www.CanadiansforConscience.ca](http://www.CanadiansforConscience.ca) Write a letter to your Provincial Member of Parliament and consider adding your e-mail address to the Conscience Coalitions network to receive future information.

*"Conscience is the Voice of God in the soul"*

**Call for Conscience & Action**

Dear Parishioners:

This month the Catholic Bishops of Ontario are asking all parishioners to add their email addresses to a list so that they can receive a link to material on the Coalition for HealthCARE and Conscience web site. Our sign up list is at the back of the Church.

The Bishops are working in conjunction with this Coalition to pressure our provincial election candidates to respect conscience rights for doctors and faith-based health care institutions when it comes to assisted suicide.

Presently Catholic hospital CEOs say they have a right to opt out of assisted dying, but one can foresee the day when it will be tested in the courts and legislature. We cannot sit on the sidelines. We need to hold the fire to the feet of our politicians and demand a clear position with the upcoming Provincial election in June.

To quote Irish political philosopher Edmund Burke: "Evil triumphs when good men do nothing." Let us join our voices and concerns with other faith organizations in upholding the gift and culture of life.

God bless,

Fr. Peter Ciallella
