Epiphany - God's Light Revealed to all Nations

Dear Parishioners:

Today we celebrate the Epiphany of the Lord. We are reminded that the good news of Christ's birth extends beyond all borders and religious groups. The Magi came from afar, drawn by the light of Christ and that same light shines upon us today.

The light needs to shine more than ever in places and groups who need to hear the good news of Christ's saving love. As I have listened to Pope Francis' message for us this Christmas season, he has brought up the plight of the refugees time and again. The Holy Father has drawn a direct connection between Christ's beginning as a child, such as his poverty and rejection by the powerful, with the suffering of the poor and persecuted, particularly the refugees.

As we ponder the message of the Holy Father on the Feast of the Epiphany, we pray for the 65.6 million refugees worldwide. We recognize indeed God's message breaks down barriers and walls that divide us between the haves and have nots, citizens and sojourners, the powerful and the powerless. We must also enlighten those who are not so sympathetic to the cause of refugees by dispelling certain myths, with real facts, such as:

- Refugees seeking protection pose very little risk to Canada's security
- The families of refugees and other newcomers to Canada make important contributions to society
- The cost of healthcare for refugees amounts to a fraction of that of other Canadians
- Newcomers are not taking away jobs and resources from other Canadians
- Canada has fewer refugees per capita than other countries
- Canada's commitment to receive refugees is part of the longstanding treaty ratified by most nations of the world.

God bless,
Fr. Peter Ciallella
