"It would be a good idea, during May, for families to say the Rosary together. Prayer strengthens family life."

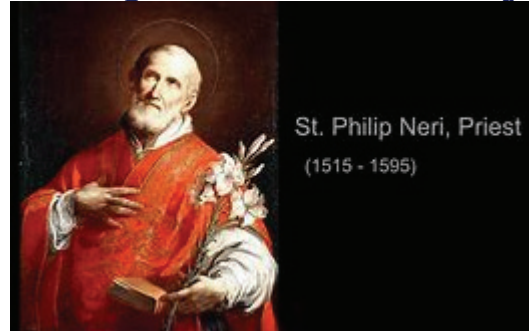

-Pope Francis

1. Make the Sign of the Cross.
2. Holding the Crucifix, say the Apostles' Creed.
3. On the first bead, say the Our Father.
4. Say one Hail Mary on each of the next three beads.
5. On the next bead, pray a Glory Be
6. For each of the five decades, announce the Mystery (perhaps followed by a brief reading from Scripture) then say an Our Father.
7. Repeat this pattern for the remaining decades and say ten Hail Marys while meditating on the Mystery. Then say the prayer Glory Be.
(After finishing each decade, some say the following prayer requested by the Blessed Virgin Mary at Fatima: O my Jesus, forgive us our sins, save us from the fires of hell; lead all souls to Heaven, especially those who have most need of your mercy.)
8. After saying the five decades, say the Hail Holy Queen, followed by this dialogue and prayer: V. Pray for us, O holy Mother of God. R. That we may be made worthy of the promises of Christ.
Let us pray: O God, whose Only Begotten Son, by his life, Death, and Resurrection, has purchased for us the rewards of eternal life, grant, we beseech thee, that while meditating on these mysteries of the most holy Rosary of the Blessed Virgin Mary, we may imitate what they contain and obtain what they promise, through the same Christ our Lord. Amen.
(A prayer to St. Joseph may also follow.)
Conclude the Rosary with the Sign of the Cross.

St. Philip Neri

May 26

St. Philip Neri was a Christian missionary and founder of the Congregation of the Oratory, a community of Catholic priests and lay brothers. He was born in Florence on July 21, 1515. From a very young age he was affectionately referred to as "good little Phil." He received his early teachings from friars at the Dominican Monastery in Florence, San Marco. At 18yrs old he went off to live with a wealthy family member in San Germano. He was sent there to possibly inherit the family business. However, soon after his arrival, Philip experienced a mystical vision, which he eventually spoke of as his Christian conversion. This event was an encounter with the Lord, and it dramatically changed his life. He soon lost interest in business. He felt a call from the Holy Spirit to serve the Lord and His Church. So, Philip set out for Rome. During his first two years in Rome, Philip spent his time in a solitary life. He also dedicated a lot of time to prayer. He ate very small meals and practiced an ascetical life. In 1535, Philip began studying theology and philosophy at St. Augustine's Monastery. Although he was considered a promising scholar, after three years of studies, Philip gave up any thought of ordination. He set out to help the poor people of Rome and to re-evangelize the city. Sadly, Rome was no longer living as Christians. In short, Philip was an evangelist. He loved to share the Gospel and help people to find or rediscover their faith in Jesus Christ. His days were dedicated to helping others, but his nights were spent praying in the church. He whole-heartedly desired the reform of the Catholic Church and worked toward that with a sense of gentleness and friendship, rather than criticism and harshness. A large room was built above the church of San Girolamo to tend to Philip's growing number of pilgrims. Philip's organization was officially approved by Pope Gregory XIII in 1575. St. Philip Neri was beatified by Pope Paul V on May 11, 1615, and canonized by Pope Gregory XV on March 12, 1622. He is the patron saint of Rome, US Special Forces, humour and joy and his feast day is celebrated on May 26th.
