A Thanksgiving Prayer

Heavenly Creator,

In this season of gratitude and abundance,
we give You thanks for our many blessings
as we pray for all who struggle
with hunger and want.

Be with them in the dark of night,
when all hope seems lost.

Keep their faith strong as they await relief.

And let Your goodness flow through our
hearts and hands as we reach out to one
another in the full, true joy
of Thanksgiving in Christ.

Amen

*O God, who through your Spirit
raised up Saint Teresa of Jesus
to show the Church the way to seek
perfection,
grant that we may always be
nourished
by the food of her heavenly teaching
and fired with longing for true
holiness.*

*Through our Lord Jesus Christ, your
Son,
who lives and reigns with you in the
unity of the Holy Spirit,
God, for ever and ever.*

Amen

St Teresa of Avila

**St. Teresa of Jesus
October 15**

St. Teresa of Jesus, honored by the Church as the "seraphic virgin," *virgo seraphica*, and reformer of the Carmelite Order, ranks first among women for wisdom and learning. She is called *doctrix mystica*, doctor of mystical theology; in a report to Pope Paul V the Roman Rota declared: "Teresa has been given to the Church by God as a teacher of the spiritual life. The mysteries of the inner mystical life which the holy Fathers propounded unsystematically and without orderly sequence, she has presented with unparalleled clarity." Her writings are still the classic works on mysticism, and from her all later teachers have drawn, e.g., Francis de Sales, Alphonsus Liguori. Characteristic of her mysticism is the subjective-individualistic approach; there is little integration with the liturgy and social piety, and thus she reflects the spirit of the sixteenth and following centuries.

Teresa was born at Avila, Spain, in the year 1515. At the age of seven she set out for Africa to die for Christ, but was brought back by her uncle. When she lost her mother at twelve, she implored Mary for her maternal protection. In 1533 she entered the Carmelite Order; for eighteen years she suffered physical pain and spiritual dryness. Under divine inspiration and with the approval of Pope Pius IV, she began the work of reforming the Carmelite Order. In spite of heavy opposition and constant difficulties, she founded thirty-two reformed convents.
