PARENTING TIP OF THE MONTH - Parenting Tip 142. As parents, we love our children unconditionally, but the tasks involved are still challenging. There are many moments when our children can annoy us, test us and even defy us! Our response can be the difference between positive learning and damage to our relationship. What is a parent’s best strategy? Learn to pause between the time a problem occurs and the time you respond. Take a moment to count to ten, take a deep breath, close your eyes, say a quick prayer, or take your own time out. When you are calm and collected, address the issue in the way you feel will work best to solve the issue, not one based on high emotions. Family Ministry Office: 905-528-7988 ext. 2250

St. Vincent De Paul
September 27th

This was at a time when there were not many priests in France and what priests there were, were neither well-formed nor faithful to their way of life. Vincent helped reform the clergy and the manner in which they were instructed and prepared for the priesthood. He did this first through the presentation of retreats and later by helping develop a precursor to our modern day seminaries. At one point his community was directing 53 upper level seminaries. His retreats, open to priests and laymen, were so well attended that it is said he infused a "Christian spirit among more than 20,000 persons in his last 23 years." The Vincentians remain with us today with nearly 4,000 members in 86 countries. In addition to his order of Vincentian priests, St. Vincent cofounded the Daughters of Charity along with St. Louise de Marillac. There are more than 18,000 Daughters today serving the needs of the poor in 94 countries. He was eighty years old when he died in Paris on September 27, 1660. He had "become the symbol of the successful reform of the French Church". St. Vincent is sometimes referred to as "The Apostle of Charity" and "The Father of the Poor". His incorrupt heart can be found in the Convent of the Sisters of Charity and his bones have been embedded in a wax effigy of the Saint located at the Church of the Lazarist Mission. Both sites are located in Paris, France. Two miracles have been attributed to St Vincent - a nun cured of ulcers and a laywoman cured of paralysis. As a result of the first, Pope Benedict XIII beatified him on August 13, 1729. Less than 8 years later (on June 16, 1737) he was canonized by Pope Clement XIII. The Bull of Canonization recognized Vincent for his charity and reform of the clergy, as well as for his early role in opposing Jansenism. It has been reported that St. Vincent wrote more than 30,000 letters in his lifetime and that nearly 7,000 had been collected in the 18th century. There are at least five collections of his letters in existence today.
