Mass schedule remain unchanged.

LAST WEEKEND a parishioner asked me if the church had to pay for the **sewer/waterline** replacement that was going on. I replied yes. He said that he was going to make a donation towards the cost of the project. I was delighted to hear that. The parishioners of St. Francis Xavier have always been generous in helping to pay for various projects. Two examples this year are the Refugee Family support and once again our parish supper, where so many donated money and food. We will have to 'dip' into our savings in order to pay for the sewer/waterline project. A rough estimate would be \$100,000. It could be higher. The contractor did not anticipate hitting so much rock. As you know I am not one to beg for money. However, given the amount we have to spend on this project I would ask if you could spare a little money to put towards this debt that we are incurring it would be gratefully appreciated. All donations are income tax deductible.
